I downloaded a torrent for the 033AI version of the REC GPS software (ISO) and burned it to a DVD+R DL and it burned fine but the nav gave 4. Select the included .ISO 5. Burn the Image to the DVD and Presto your done. How to Install: *Note the car needs to be on, or have the key Open the AI ISO. Overwrite the files in the InMotion ISO with the AI files. It won't touch the firmware, just the maps.
