---

Title: Super Star Path Soundtrack

Genre: Indie

Developer:

DYA Games

Publisher:

DYA Games

Franchise:

DYA Games Collection

Release Date: 22 Jun, 2015

7ad7b8b382

English

---

the music is great, the quality of the files substandard.

i know this soundtrack is retro lo-fi themed, but getting 128kbs mp3s is a bit too low in quality.

either 320kbs mp3s or flac would be nice.

to be fair i bought this game and soundtrack very cheap + maybe it's a steam thing, this is my first ost i bought here.
